

Decentralised climate adaptation funds

This is a generic representation of the DCF model; specific approaches adopted in each country vary according to local context.

The approach is being implemented in

- 1 Senegal
- 2 Mali
- 3 Kenya
- 4 Tanzania

Selection Criteria: Investments must...

1. Be focused on public goods and benefit a large number of beneficiaries, especially women and young people;
2. Enhance resilience to climate change (adaptation) and where possible, propose mitigation measures;
3. Ensure a participatory approach in design, management and monitoring and evaluation;
4. Meet local development priorities and national strategies and policies on sustainable development and climate change;
5. Foster peace and strengthen social relations between actors;
6. Not have a negative impact on the environment;
7. Provide a realistic and achievable work plan and provide value for money.
